presentation.

NAPOLI—MY FIRST AND FOREVER LOVE

An Illustrated Talk by Anna Caruso

Wednesday 19th May 2021 at 7.30 pm

Anna will take us on a tour to discover the incredible contrasts of this beautiful city. She will be telling us about the history, the culture, the traditions, the music, and the typical food and wine that make Naples completely different and unique.

Anna is an art historian and a qualified tour guide but most of all she is a real Neapolitan, a descendant of seven generations there — maybe more. She was born and bred in Naples and is deeply in love with her home town. She hopes she will be able to communicate some or all of this to us.

This talk will last approximately 90 minutes
